

Fisherman Village Cultural Experience

Day Trip – Departing from
Batam

Step into the heart of island life and discover the traditions that have sustained coastal communities for generations.

09:00 – Welcome to the Fisherman Village

Arrive at the village and receive a warm welcome from local community members. Learn about the history of the village, its connection to the sea, and the importance of fishing in daily life.

09:30 – Traditional Fishing Experience

Join local fishermen as they demonstrate traditional fishing techniques passed down through generations. Learn how nets and traps are prepared, hear stories of life at sea, and gain insight into the knowledge required to fish sustainably in local waters.

10:30 – Village Walking Tour

Explore the village on foot and observe everyday life. Visit family homes, traditional wooden houses, boat-building areas, and community gathering spaces while learning about local customs, values, and traditions.

11:30 – Cultural Exchange with the Community

Meet village elders and residents to hear stories about their heritage, livelihoods, and relationship with the marine environment. This is an opportunity to ask questions and engage in meaningful conversations that foster cultural understanding.

12:30 – Traditional Seafood Lunch

Enjoy a freshly prepared local meal featuring seasonal ingredients and seafood sourced by the community. Experience authentic island flavors.

14:00 – Handicraft and Local Product Showcase

Discover handmade crafts created by village artisans, including traditional souvenirs and locally produced goods. Purchasing these products directly supports household incomes and helps preserve local craftsmanship and cultural heritage.

15:00 – Farewell and Return Journey

Bid farewell to your hosts and depart with a deeper appreciation of island life, local traditions, and the people who call these coastal communities home.
